## WOMEN LEADERS IN INTERIOR DESIGN

**PRATIMA SINGH,  
CEO, RITUZ INTERIORS**

“

Pratima outclasses as a woman of substance with extensive managerial abilities and seamless motivation who currently stands at the vanguard of interior design industry

“

Pratima Singh is a doyen of the interior design industry with specialization in the science of Vastu. She always believed in the fact that “If you decide to do something, nothing can stop you”, and thus, outshined as the epitome of perseverance and passion. This way, she has accomplished designing diverse houses, offices, and commercial places for over 21 years with all her heart, and aims to achieve more success in the years to come.

”

Founded in 2001 – 21 successful years serving the nation. Our philosophy, “The difference is in the details,” reflects our painstaking attention to detail not only in design, but in our approach to customer service as well. Your needs, dreams, and personal taste are paramount in the process, and our design team works closely with you over the course of your project to achieve your dreams and exceed expectations.

Over the past 21 years, the Rituz Interior Design team has scoured countless resources that enable us to provide a variety of luxury interior design services to our clients in projects with diverse scopes and budgets. We believe in long-standing relationships with our clients delivering state of the art designing solutions that are unmatched. Our Interior Design Services compass through:

- Design of interiors and common spaces for multi-family, and high rise developments
- Commercial interiors including hotel and restaurant design
- Creation and management of virtual interiors
- Interior Detailing, including in-depth mill work and built-in design
- Space planning, room layouts, and creative redlining
- Project management
- Material specifications
- Furniture Selection
- Kitchen design
- Bath design
- Accessories and art selection
- Reflected ceiling plans
- Electrical/lighting plans
- Fireplaces and specialty features
- Tile drawings and ceiling designs
- many more...

Rituz Interior Design is set apart from others as we offer Interior Detailing as an optional part of your full-service design package along with Vastu Consultancy, resulting in a seamless design/build process. The Interior Detailing works hand in hand with you to create beautiful backgrounds that enhance the overall aesthetic of every environment in your home / office / hospitality / industry.
